

Dear (persons name),

I am writing to you to share some exciting news with you. This summer I was accepted into the Holy Hands Internship Program. Holy Hands was founded in 1995 by Jason M. Rising. This ministry was established for the purposes of evangelizing the east coast and to equip the body of Christ to do the same. For over the past 14 years now, Holy Hands has been traveling extensively along the east coast ministering along side churches and ministries helping them reach out to the people in need in their communities and showing Christ's love them through many different outlets.

This summer I have been selected to, with a few other interns, to travel to some of the East Coast's largest cities, Staten Island, Syracuse, Boston, Pittsburgh, Philadelphia and one trip on the west coast in Las Vegas. During the summer I will be trained in street percussion, street drama, children's ministry and one on one evangelism which we will use to minister to thousands of men, women and children in these cities. In two of our main cities we will be doing large food distribution outreaches where we will box up groceries and give them out to over 1,200 families in need in those areas. This is a great opportunity for me to grow as an individual, learn leadership skills hands on, be challenged daily to grow spiritually and most importantly to be used as the hands and feet of Jesus.

As I share this opportunity with you, I would like you to consider two ways you can join me in this life changing experience. First and foremost I need prayer for the Lord to work in and through me this summer that I will be impacted and through that I will impact those who are hurting and in need of a savior. Second I need to raise financial support to cover the cost the summer tuition comes to the amount of \$1,500.00

Would you please prayerfully consider supporting me in this great privilege that we have? If you can join with me, please use the response card below to let me know how you will help. I look forward to sharing with you what the Lord teaching me and how He used me to impact people's lives this summer.

Sincerely in Christ,
(Your Signature)

(Please cut along this line)

Dear (put your name here)

_____ Yes! I wish to join you in this great opportunity by praying for you daily during this summer internship.

_____ Yes! I wish to join with you in this great opportunity by supporting you financially with a donation of _____ towards your summer internship.

Note: It is very important to specify whom the donation is for in the memo of the check.

***Please make checks payable to First Fruits Inc. PO Box 5076 New Castle, PA 16105.**
